

REMARKS

The previous Preliminary Amendment has been supplemented to include changes to the Claims and Abstract. The deletion of reference marks in these two sections was inadvertently left out in the original Preliminary Amendment due to a clerical error. The amendment to the Specification to incorporate the continuity information was previously presented in the original Preliminary Amendment.

Care has been exercised to avoid the introduction of new matter. Entry of this amendment is respectfully requested.

Respectfully submitted,

McDERMOTT WILL & EMERY LLP
